

Team Power International

In-house Training Programs

2014

Leadership & Change

*Leadership is not magnetic personality --- that can just as well be a glib tongue.
It is not "making friends and influencing people" --- that is flattery.
Leadership is lifting a person's vision to higher sights, the raising of a person's
performance to a higher standard, the building of a personality beyond its
normal limitations.*

- Peter F. Drucker

Leadership & Change Training Programs

(Delivered in Arabic or English)

Code	Program Title	Duration (days)
LE01	Strategic Leadership <i>The primary roles, responsibilities and competencies of every strategic leader</i>	3
LE02	Corporate Transformation <i>The effective strategies and practical solutions in organizational change and transformation</i>	3

Strategy & BSC

Leaders establish the vision for the future and set the strategy for getting there; they cause change. They motivate and inspire others to go in the right direction and they, along with everyone else, sacrifice to get there.

– John Kotter
